Company Profile

CHIRAG GROUP OF COMPANIES

VISION & MISSION

VISION

Building a company enthralling performance, success and efficiency with thorough expertise and knowledge.

Contributing to the success story of UAE. A working environment promising true spirit that reflects, a bond of perfection and team performance.

MISSION

To become one of the leading companies in the region for delivering all the infrastructural needs with a promising relation and a committed approach.

About us

It is our pleasure to introduce Chirag & Its Group of Companies which was incorporated and registered in Dubai, UAE in november 1994. The company specializes in construction of shopping malls, multi storey residential apartments, private & commercial villas, offices, warehouses and industrial structures.

The company has been actively involved in all construction activities viz: civil, piling, electromechanical, interior decoration & joinery, land transport, aluminum & glass fabrication, steel structures, shop fittings and office interior for more than 25 years.

The Managing Director, Mr. Mahesh Mehtani is a civil engineer by profession & in the last 25 years he has diversified into construction related business with sheer knowledge and timely efforts to acquire the ever developing nations opportunity. The company motto is customer trust & satisfaction. The company lays great emphasis on quality workmanship, timely completion of projects and customer satisfaction. As a result of our motto we have successfully been recommended by many renowned organizations in UAE.

The present company strength is more than 300 employees & to meet our steady growth, we are in agreement with trusted and leading manpower supply companies to cater to our ever increasing manpower needs within UAE and across the GCC.
